CIRCULATE

1. The deportees from the Banat have been transported to Moldavia, to Dobruja, and to the Baragan, notably to the latter region, where they have been abandoned completely. In the Baragan region, they have begun making bricks for housing. From Furnu-Sev rin only "unreliable categories" have been deported, not the entire population.
2. Since mid-July 1951, Greeks, as well as certain Italian, French and Swiss citizens, have been given notices to leave, even though they did not apply for emigration.
